

The teacher says to Adib, "You're a new student. What's your name?" he asks.

"Adib Murad," he replies.

The teacher says, "Do you know kung fu, Adib?"

"A little," says Adib. "But I want to learn more."

"Okay, Adib," says the teacher. "But first I want to see your kung fu."

The teacher looks at the class.

"Who wants to fight Adib?" he asks.

"I will fight him," says a boy. It is Scott's friend, Mike. Mike is bigger and stronger than Adib.

Mike looks down at Adib. Mike wants to hurt him.

"Okay Mike, you can fight him," says the teacher.
