Berry turns over° the ground.

He makes a hole° in the ground.

Then, he puts the small seeds into the hole.

°turns over - הוֹפֵךְ   °hole - חוֹר

8

Berry waters° the ground **every** day.

"I want my seeds to **grow**," says Berry.

"I want my seeds to grow into a pumpkin, and I want it to grow **fast**!"

°waters - מַשְׁקֶה
