

"One **minute!**" says King Leo. "We need a trainer^o for the **choir**. Who can be a good trainer?"

"I can!!"
every animal shouts.

"Okay, I see many animals **think** they can do it. We will vote^o," says the lion.

"I want each^o animal to write the name of the animal he thinks will be the best trainer."

Each animal writes the name of one animal on a **leaf**. Then the king takes all the **leaves** and reads them.

"Oh no!" says King Leo. "There is one leaf for each animal!"

Oh, I see... Every animal wrote^o his own^o name on the leaf. That is not a vote!"

"I will be the trainer!" Leo says.
