

Suddenly, Iron Man sees a device on Thanos's belt.

"This device helps Thanos move from place to place," he thinks. Then he has an idea.

"We can use this device and stop Thanos," he thinks.

"I have to find Groot," Iron Man says. "Only Groot can help me now."

"I am Groot," Groot says.

Iron Man understands. Groot wants to help them win the fight and save the leaders of the Earth.
